#### 3. **Student Drug Testing Policy – Review Draft**

A list of suggestions and concerns (attached) was distributed. The suggestions were from students, faculty, etc. The group began to review the “draft” policy by reading each paragraph and discussing concerns. The administrative team will prepare a list of consequences for violating the policy or testing positive during a drug screening. Mr. Grantier will ask Mrs. Wertz (athletic trainer) to review the prohibition of over-the-counter sports enhancing supplements. Mrs. King will begin revising the policy. Dr. Galloway mentioned that other area school districts will want to implement a similar policy.

#### 4. **Next Meeting**

Once we have the pending information from Mrs. Wertz and the administrative team, a meeting will be scheduled.

#### 5. **Adjournment @ 5:40 p.m.**
